This file lists Register articles from Volume 1 (1847) to date, as well as all articles reprinted in fifteen volumes published by Genealogical Publishing Company. Those volumes, selected and introduced by Gary Boyd Roberts, are:

- **Mayflower Source Records** (1986) (MSR)
- **Genealogies of Mayflower Families**, 3 volumes (1985) (GMF)
- **Genealogies of Connecticut Families**, 3 volumes (1983) (GenCTF)
- **Genealogies of Rhode Island Families**, 2 volumes (1989) (GenRIF)

The abbreviations in parentheses above are used in the file to indicate the volume in which an article or series was reprinted. A few articles appear in two different series of volumes. All of the GPC volumes have been released on CD-ROMs, which are now out of print. MSR and GMF are on Family Tree Maker's Family Archives CD#171: Genealogies of Mayflower Families, 1500s-1800s, EONEF1 and EONEF2 on their CD#181: English Origins of New England Families, 1500s-1800s, GenCTF on their CD#179: Connecticut Genealogies #1, 1600s-1800s, and GenRIF on their CD#180: Rhode Island Genealogies #1, 1600s-1800s.

As this file was created for my own use a few words about the format of the entries are in order. The entries are listed by Register volume. Articles that are carried across more than one volume have their parts listed under the applicable volumes. This entry, from Volume 135, will illustrate the format used:

**Volume 135 (1981)**

Descendants of John' Stockbridge
Roger D. Joslyn

The first line precedes the set of entries for a volume. It is in boldface to aid the reader in locating a particular volume, and indicates the year that volume was published.

The first line of an entry for an individual article or portion of a series shows the Register pages for an article found in that volume. When a series spans more than one volume a note in parentheses indicates the volume and page from which or to which it is continued. At the end of the first line the reprint is shown - in this case it is Genealogies of Mayflower Families, Volume 3, pages 488-566.

The second line shows the title of the article, and the third, the author.

This file will be revised quarterly as each new issue of the Register is published.
